

Test for engine or info change, or to place promotional sticker

Tests for various changes are all priced at AED 40, and done by the Salama supervisor; there's no need for you to queue for the full vehicle inspection.

To get your test, you'll need to do the following:

- Drive to any Salama centre
- You will not need vehicle inspection, so don't position yourself in the queue; You also don't need to go inside and get a ticket from the counter
- Simply park your car and go to the supervisor's office
- Once the permission is granted, please proceed to the cashier to get your permission certificate; You will need to pay AED 40.

Types of change:

- Change engine – if engine changed and cannot be read anymore
- Change data (change of any info)
- Place a promotional sticker on company car (the company will need to obtain permission from the Department of Economic planning). Please note that charges are AED 40 per company car
